There were fifty-three Sundays Cape Democrat. in last year, an occurance that will Somebody name unknown means much, and if we attending church, calling on your The animal was consigned to a ma to live better this year best girl, reading the scripture, unknown to the express messenger last year; if we want to playing with the children, breaking and it was left at the Arcade salcon, soful citizens—lend our a two-year-old cult or some other where hundreds of people viewed it community—the right paying the penality of enjoying the Morehouse. rt will help much; in pleasures of the method in which Cape Democrat. put us quite a distance you chose to spend this extra Sunday.-Ex.

Missouri Leads.

Missouri is leading in the efforts to reform the country. The great fight started by Governor Folk at great convenience to the people soval of fences from the St. Louis has spread all over the ain and indicting cattle- country. Secretary Hitchcock a Missourian, has brought Senator tile Company, the largest Mitchell to justice and broke up mpany in Nebaska, and the land frauds of the west. It was largest in the world, will Missouri which brought Senator Borton to time and convicted him Wyoming, Montana, St. Louis swindlers. Missouri is by his friends as the democratic nd Indian Territory, and active in the insurance fight and in- candidate for representative in the by the federal grand jury. It is Missouri that is calling on Mr for the position and would be a all feneing of public lands. Rogers and Mr. Rocketeller to explicate run the house. The way to plain their oil grafts in this state stop boodling in the legislature is and the idea is to abate this public to elect such men as Watkins-men mule is not the only stubborn citisen of Missouri, and when the old Record. state gets started it is generally heard from.-Springfield Leader.

A Crime Against Humanity. The gang of land speculators who | Kelley, 17; Paul Birch er,19, and in that year was sent to seek the destruction of the Minnesata Forest R serve would perpetrate one crime simply to prepare by an appeal to technicali- the way for another equally atrocious, the in a different way. To destroy the Reserve would be a distely following that crime against the economic interests on were devided between of the state and nation, attacking the permanency of the timber suprepublican gubernatorial ply, the interest of navagation and chosen since that "re. the climate. To sell the lands after was picked by the rail | the timber is removed as they proile the corporations have pose doing, to immigrants defuded Jackson Cash-Book. mplete control over the by the statemen, that they are legislature. "good agricultural lands," is a st Roosevelt has found it crime against humanity. Nothing to remove from local can be more miscrable than the Hesses Lewman & Co., architects es at least six of the state of a farmer who has been iners" of Nebraska. duced to invest his small means and e redeemers was ap- settle with his family on "cut-over" the president to a seat pine land, especially on land once orial bench, and later occupied as is the case with the found it necessary to lands of the Cass Lake Reserveby Jack and Norway pine. Mr Bryan Abroad

UNCLE PETAH.

William J. Bryan sailed from San Francisco September 27. Mr. Bryan will make a voyage around the world. In the course of his journey he will visit Hawaii, China, the Philippine Islands; India, Australia, New Zealand, Egypt, Palestine, Greece, Turkey, Italy, Spain Switzerland, Germany, France

Norway, Sweden, Denmark, Russia,

Holland and the British Isles, In each of these countries Mr. Bryan will write for his paper The Commoner, one or more letters describing his observations. It is needless to say that Mr. Bryan's letters will be interesting to men and women, regardless of political there hasn't been anything in print prejudice. Those desiring to avail from this part of the world for themselves of the opportunity to read these letters should lose no time in subscribing for The Com-

souncement, relating to these letters printed in another column of this imus. We are able to offer special nducements to any one who desires to read Mr. Bryan's articles.

Berlie arainlein and apprelator an editor: At a recent editorial convention he offered the following toash "To save an editor from starvation, take his newspaper and pay him for it promptly. To save him from bankruptey, advertise in his paper liberally. To save him gh one from despair, send him every item of news of which you can get hold. To save him from profacity, write vour correspondence plainty on one ing near Perryville, spent a few your correspondence plainty an one Lira. Fannie Stone visited at Eli carly as possible.
